CHAPTER 65

HIGH-DEPLOYMENT PER DIEM6501 ENTITLEMENT

High-deployment per diem is payable to all members who are deployed 401 days or more out of the preceding 730 days. Days accrued prior to October 1, 2000, do not count towards eligibility.

650101. Deployment. There are five categories of deployments that must be tracked and counted towards the established management and pay thresholds. See Figure 1 for categories of Personnel Tempo (PERSTEMPO) events.

A. Operations. A military action or the carrying out of a strategic, tactical, service, training or administrative military mission; providing support to domestic civil, humanitarian, or counter-drug military mission; and the process of carrying on combat, including movement, supply, attack, defense and maneuvers needed to gain the objectives of any battle or campaign. Operations are generally named by the Joint Staff.

B. Exercise. A named military maneuver or simulated wartime operation involving planning, preparation and execution. It is carried out for the purpose of training or evaluation. It may be a combined, joint, or single-Service exercise, depending on participating organizations.

C. Unit Training. All or part of a unit accomplishing a training objective at a location other than the permanent duty location. Unit training includes exercises that have not received an official designation.

D. Home Station Training/Local Operating Area of a Ship or Vessel. Training conducted within the limits of an installation/base/local operating area of a ship or vessel. The area must have been predetermined and documented by appropriate authorities.

E. Mission Support TDY. Duties that include meetings, conferences, staff visits, staff augmentation and medical appointments.

650102. Nondeployment. For the purpose of this chapter, a member is not deployed or in a deployment when the member is:

A. A student or trainee at a school (including any government school);

B. Performing administrative, guard, or detail duties in garrison at the member's permanent duty station; or

C. Unavailable because of

1. Hospitalization of the member at the member's permanent duty station or homeport or in the immediate vicinity of the member's permanent residence; or

2. Disciplinary action taken against the member.

650103. Payment. A member who meets the requirement of section 6501 above must be paid \$100.00 for each day on which the member is deployed and has been deployed 401 days or more out of the preceding 730 days since October 1, 2000. Pursuant to Title 10, United States Code (U.S.C.), section 991(d), Service Secretaries may suspend the management of the PERSTEMPO program when such a suspension is in the "national security interests." Invoking this suspension terminates the requirement to pay \$100/day high deployment per diem under 37 U.S.C. 436.

A. Day Away. Begins on one day, and ends on another day. A day away does not require a full 24 hours to be considered a PERSTEMPO day, and the day of return will not count as a day away. For example, if a member departs on Monday afternoon and returns on Tuesday morning, only Monday counts as a PERSTEMPO day.

B. Leave While Deployed. Leave in conjunction with a deployment shall not count as deployed time away from home. Exceptions to this may be granted at the discretion of the Service Secretary for those circumstances under which personnel are required to take chargeable leave in order to be exempted from duty requirements or watch standing requirements. In general, leave that would extend the actual or projected deployed time away from home shall not be counted as deployed time.

C. Hospitalization When Deployed. When a member is deployed and requires hospitalization away from the permanent duty station, the member is still considered deployed. However, when a member is deployed and requires hospitalization at the permanent duty station, the member is no longer considered deployed. If a line of duty investigation determines injuries are due to member's misconduct, deployment days do not accrue in the hospital.

D. Taxability of High-Deployment Per Diem. Generally, high-deployment per diem is taxable income. If, however, the high-deployment per diem is earned while the member is serving within a combat zone, the per diem is eligible for the combat zone tax exclusion (CZTE). For more information on CZTE, refer to Chapter 44 of this volume.
